

Ristorante Paoletti

Benvenuti a Ristorante Paoletti!

The following menu represents our selection of wines, with our focus being on the classic regions of Italy. When possible, we try offer selections from each of the 20 major regions in Italy, to be able to showcase each area's unique grape varietals that are so special to the people that live and breathe these wines. We do also offer a large selection of wines from the United States and France, as well as the rest of the world of wine. Our primary goal is to assemble a unique offering of libations consistent with Ristorante Paoletti's standards of excellence, while creating memories and enhancing your dining experience.

Although we offer a collection of stellar wines and spirits from around the world, our focus is on classic examples from benchmark regions and small, family-oriented producers. We are extremely proud to showcase these producers, of which many are hard to find, with some of these selections only offered to 1 or 2 other purveyors in the entire state of North Carolina, if at all. It will be our pleasure to share with you the history, anecdotes and stories of these special beverages.

Unfortunately, we do not allow corkage for outside bottles of wine brought into the restaurant. However, we always have an active Sommelier on staff for every dinner service who would be happy to guide you through our list of over 950+ selections to find a wine that is suitable for your taste and budget.

We look forward to welcoming you to Ristorante Paoletti, and assisting you with all of your beverage needs!

Salute!!

Julio Bonilla, Sommelier
